**Indian Society for Education and Environment (iSee)**

iSee was established in 2007 with the main objectives:

- ✓ To promote quality education.
- ✓ To support digital Research-outcome sharing among scholars by means of open access publications.
- ✓ To foster employability by means of skill development programs.
- ✓ To identify and support quality assessment schemes in educational sector.
- ✓ To coordinate and support programs for continuous- and distance-education.
- ✓ To develop methods and programs for better healthcare.
- ✓ To co-ordinate, assist and promote sustainable environmental management.
